Still time to sign up for water service

The Morgan County Water District announces that construction on the Phase 12A water line project has begun. Water District Manager Cindy Montgomery said all residents who are interested in water service will need to come to the office, sign a Water User Agreement and pay their tap-on fee. Customers who are making payments on these fees are encouraged to finish paying off their balance.

"Remember, the meter base can not be set until all fees are paid in full," Montgomery said.

The line construction routes (roads) are : Hwy. 191, Hwy. 134 and the Wheel Rim area. "We will consider adding on Camp Branch Road, Al Johnson Road and Wagers Branch if enough people request water service," Montgomery said.

Montgomery urges interested citizens in these areas to not let this opportunity pass. The road selection process depends on the total customers signing up for the service. The cost is \$590 for the tap-on fee, and the deposit is \$50. These fees can be paid anytime at the the Morgan County Water District office located at 408 Prestonsburg St., in the former Kennedy Library building. Phone 743-1204

Learning about sweet potato production at Jones Farms in Bailey, North Carolina, recently were these members of the East Kentucky Sweet Potato Growers Association. With some of the 100,000 sweet potato slips they brought back for planting are, from left, Regina Hammons, Darris Hammons, Keith Hall (association president), Courtney Lacy, Sarah Fannin (Morgan County Agriculture Agent), Mary McCarty (Elliott County Agriculture Agent), Crystal Sparks (University of Kentucky horticulture specialist), Brend Engle, Eric McCarty, and Leon Engle.

Sweet Potato Growers Assn. launched in Morgan, Elliott

The Morgan County Cooperative Extension Service worked with members of the newly organized East Kentucky Sweet Potato Growers Association to plan a recent three-day trip to North Carolina to observe sweet potato operations at Jones Farms and to retrieve more than 100,000 sweet potato slips for planting by producers in Morgan, Elliott, Breathitt, and Montgomery

counties.

The trip included a visit to Strickland Bros. Enterprises, Inc., in Spring Hope and Jones Farms in Bailey.

The Strickland brothers, of Strickland Bros. Enterprises, Inc., a premier sweet potato equipment fabricator and manufacturer, discussed all types of sweet potato growing and harvesting equipment with the group

and allowed them to take a look at the equipment on the grounds.

At Jones Farms, the association had an opportunity to tour the sweet potato plantation and learn about large-scale farming, as well as tips and best practices for their own sweet potato farming ventures.

The association purchased three varieties of sweet potato

2009-2010 COUNTY BUDGET APPROVED BY STATE

Hello from Judge Tim Conley and Staff:

Although the federal and state budgets are reportedly billions and trillions of dollars in the red, the Morgan County government budget has been approved by the state. However, we still run on a very tight budget – but it is still working.

Government is not a banking situation where we just do a budget. Our expenditures are supposed to match our income, and again this year it has matched. It has been approved for the 2009-2010 fiscal year, which begins on July 1.

We still have not received our FEMA money for the winter ice storm. However, we have paid all of the bills incurred during the storm. When the state reimburses us for this disaster, we should finish out the year in the black.

Again, this year some of our major bills include the repayment of a \$4 million debt we inherited from the prior administration – which we will be paying back until 2019 and 2020.

Our jailer, Jimmy Easterling, and his deputies, have done a great job bonding our non-violent criminals. However, through the criminal justice system, our jail bill still remains about \$500,000 annually. Gasoline, diesel and rock run about \$125,000 per year to maintain our roads.

Now that the 2009-2010 budget has been approved by the state, we will begin to focus on ways to improve the 2010-2011 budget. One improvement will be the tax base from the Morgan, Menifee and Rowan County Industrial Park. We will begin receiving one third of the tax revenue from the park, as we are a one-third owner. At this time, we do not know what the amount will be, but we will start looking into this next week.

I will continue to write and let you know the steps that we have taken to help Morgan County grow and save money at the same time.

You can reach me by writing to Judge Executive Tim Conley, 450 Prestonsburg St., West Liberty, KY 41472, by calling 606-743-3897 or by e-mailing mcfctc@gmail.com.

slips from the farm—O'Henry, Beauregard, and Covington—before returning to West Liberty on May 28.

Members plan to sell their crops at local farmers markets, at local festivals, including the Morgan County Sorghum Festival and the Elliott County Tobacco Festival, and hope to contract with a large grocery chain for sales in bulk.

The group, which has 15 members, has set out 12 acres of slips and hopes to realize around 500 bushels per acre.

Morgan County Extension Agent for Agriculture Sarah Fannin said, "Potentially, sweet potatoes can provide more money per acres than tobacco." Growers who sell directly at festivals and at Farmers Markets should realize about \$20 to \$25 a bushel for their crop, she said. Potatoes sold in bulk by contract would bring something less.

Planting is done with tobacco setters and the group is acquiring a digging machine for use by members to harvest their crops. Unlike peppers, etc., sweet potatoes when harvested are easily stored and can be kept well until they are marketed, Fannin said. Fertilizer and weed control costs are minimal, but after the potatoes are dug, they will be picked up and boxed by hand, since machinery to accomplish that task is very expensive.

"The association was organized in February, and for the time being, we're moving ahead cautiously," Fannin said. "But we're very optimistic about the income potential for this crop for area farmers," she said.

For more information about the East Kentucky Sweet Potato Growers Assn., contact Sarah Fannin at the Morgan County Extension Office, phone 743-3292.

Truth Is Not Found In Theories

A manager who had just returned from a motivation seminar called an employee into his office and said, "Henceforth, you are going to be allowed to plan and control your job. That will raise productivity considerably, I am sure."

"Will I be paid more?" asked the worker.

"No, no. Money is not a motivator, and you will get no satisfaction from a salary raise."

"Well, if production does increase, will I be paid more?"

"Look," said the manager. "You obviously do not understand the motivation theory. Take this book home and read it; it explains what it is that really motivates you."

As the man was leaving, he stopped and said, "If I read this book, will I be paid more?"

Caney Valley

By Tracey Barker Hatton

June 8 – My name is Tracey Barker Hatton, and I am the wife of Boone Hatton and the daughter of the late Kenneth Barker and Patty Barker Griffin, and Cecil Griffin. I would like to say that I am proud to be a Morgan County native and resident of Caney, Ky.

I had the opportunity to grow up in Caney and live in such a wonderful, caring community. I remember reading *The Licking Valley Courier* as a child, including the article that Astor Barker wrote. Years later, I moved away. When I came back, Wardie and Hazel Craft were writing about Memory Hill. These folks are well-known and respected in our little community.

I feel that if I could put down on paper what these fine people wrote, maybe having a Caney article in the paper will help continue the tradition they started. May God bless these fine individuals and their contributions to our community.

This column today is just me introducing myself and sharing how happy I am to write for our community. I would like to share with the people of Caney any news that you would like to contribute to this column. You can contact me at 743-9921 or write to me at 129 Morris Cemetery Rd., West Liberty, KY 41472.

Please include special events: births, marriages, reunions, church time meetings, people saved and baptized, special church events, deaths or anything that would be of interest. This is a column for our community.

I would like to begin by telling a funny story. When my youngest sister, Rebekah Roseberry, heard I was going to write the Caney Valley news, her remark was, “Well, I’m not surprised.”

She said, “Remember when I was born in June of 1973? You ran up and down the road from Astor Barker’s house to Finley Literal’s house telling everyone you had a baby sister. I always knew you had a knack for the news.”

So happy 36th birthday to Becky on June 12. If you see her, just wish her a great day.

I also want to give a shoutout to my other sisters, Kim Burton and Scarlett Vance.

On May 24, the third annual McClees reunion was held at

Jackson, Ky. We had a wonderful time. My mom, Patty Barker Griffin, was a McClees from Jackson. They are the descendants of William Isaac and Mary McKenzie McClees. It is always nice to see relatives and to gather around to eat and talk.

On May 24, Corda Perry died. This was Wardie Craft’s sister. Her funeral was on May 28, at the Redeemed Church in Caney.

Visitors of Boone and Tracey Hatton over the weekend of May 29 included one of her sons, Troy Sanders, of Lexington, and his girlfriend, Kristin Kearns. Boone’s daughter, Rachel Hatton, was also visiting with them over the weekend as well. We all had a wonderful time visiting with family members.

Centerville Community Church, where Boone and Tracey Hatton attend services, held a revival two weeks ago. One soul was saved and we praise the Lord for that decision.

Congratulations to all graduates of the Morgan County school system. I do not want to list names of ones in our community in fear that I may leave someone out.

Grace Baptist Church Vacation Bible School is in full swing during the week of June 8-12, from 6 p.m. to 8:30 p.m.

Ralph Hatton had surgery on June 1, and recovery is going well. Also, Ralph and Becky Hatton are the proud grandparents of a new baby boy born at Central Baptist on June 4, 2009. The brand new bundle of joy is named Lukas “Luke” Cade Roseberry. He is the first child of Jason and Ashley Blevins Roseberry. Congrats, Granny and Grandpa!

I would like to thank Terry Adams and his family for the fine job of mowing and lawn care at Morris Cemetery. Thank so much!

The Benton reunion was held at Caney First Church of god on Saturday, June 6. This was well-attended and enjoyed by all. There were many local as well as out-of-town family members and friends. A wonderful program was presented.

Before the reunion Saturday, there was a cookout at the home of Elmer and Eunice Hatton and that was enjoyed by many before attending the reunion.

Well, I will end this column for today. May the Lord bless and keep you. (Psalms 34:7, a wonderful scripture to read.)

Household Hints

- When tree tops grow into utility lines, cut a V in the branches for the lines to go through.
- When seeding a lawn, select a slow growing grass, which will prevent excessive mowing once the grass cover is accomplished.
- Club soda can be used to clean a dirty, bug laden windshield.
- To keep lightbread fresh, place a piece of celery in the bag and store in the refrigerator.
- To keep tomatoes fresh and tasty, place them upside down in the refrigerator.

This and other area counties eligible for FSA Emgcy Loans

Farmers in 62 counties are eligible for federal disaster assistance, including low interest emergency (EM) loans from USDA’s Farm Service Agency (FSA) provided eligibility requirements are met.

On May 29, 2009, President Obama declared a disaster declaration M1841 for 22 Kentucky counties as disaster areas due to damages and losses caused by severe storms, tornadoes, flooding, and mudslides that occurred from May 3, 2009, through May 20, 2009. Those counties are: Ballard, Breathitt, Carlisle, Clay, Crittenden, Floyd, Grayson, Hickman, Jackson, Knott, Lawrence, Lee, Leslie, Letcher, Madison, Magoffin, Marshall, Owsley, Perry, Pike, Russell, and Trigg.

As a result of the declaration, 40 counties in Kentucky were named as contiguous counties where eligible family farmers may qualify for FSA EM loan assistance pursuant to Section 321(a) of the Consolidated Farm and Rural Development Act. Those counties include Elliott, Estill, Johnson, Martin, Morgan, Powell, and Wolfe.

EM loan applications for physical and production losses will be received through January 29, 2010, and applications pending on that date may be processed and completed.

Farmers interested in applying for assistance should contact their local FSA county Office.

Junction News

By Kathy Bolin

June 8 – Greetings from the Junction:

There is a new arrival on Middle Fork at the barn of Toby Smith. Toby has a new miniature mule that is about the size of a lamb. It was an experimental birth, as the mother was a miniature horse and the father was a miniature mule. Baby Bucky is adorable and is the talk of the county.

Last week we had the pleasure of campers from Ohio in our backyard. Davy’s niece, Angel, and daughter, Jada, and friends brought tents and camped out during their visit. Davy took them on Saturday for hiking, fishing, horseback riding and sitting around the campfire.

On Saturday evening they gave up their tent for comfortable beds due to the thunderstorm that arose. We enjoyed their company.

I missed a couple of birthdays last week, including Willa Dean Blanton, of Lick Branch, on May 28, and Teresa Stacy, bus driver, on May 29. Happy birthday, girls.

Jamie Pack celebrated his birthday on June 2, and Deanna Vance celebrated on June 6.

Herbert Wright is in the University of Kentucky Hospital, recuperating from surgery that he had done on Friday, June 5. Prayers would be deeply appreciated.

Condolences are extended to the family of Winford Jones, of Lower Sand Lick, who passed away Thursday, May 28, after an extended illness. Surviving is his wife, Arminie Gullett Jones.

Dollie Keaton, of Lick Branch, is back home after spending a couple days in the hospital.

Ethel Bolin is recovering from a Pacemaker surgery. She is doing quite well.

I guess that’s it for this week.

Sisters Tressie Trusty Mauk, 99, and Wilma Trusty Allen, 90, on Danny Nickell's ATV.

ATV allows sisters to visit graves of their parents

Sisters Tressie Trusty Mauk, 99, of Wheelersburg, Ohio, and Wilma Trusty Allen, 90, of Dayton, Ohio (pictured above), visited the graves of their parents during Memorial Day weekend. They were unable to climb the steep hill at South Fork Cemetery at Malone and were disappointed that they could not decorate the graves themselves. Tressie and Wilma are the only surviving children of the late Commodore and Daisy Risner Trusty.

To the rescue came Lena Litteral and Danny Nickell of the South Fork Cemetery Association with the offer of Danny's ATV. The 'youngsters' jumped at the chance and climbed aboard the four-wheeler. Each took turns

riding up the hill with Danny to the Trusty plots. Tressie and Wilma said later that they were looking forward to doing it again next year!

Afterwards, there was an impromptu Trusty cousins reunion at the Walls of Grace Tea Room. Those attending were Wilma Allen, Glenna Wooten and David Turpin of Dayton, Ohio; Tressie Mauk, Darlene Miller and Jeri Morgan of Wheelersburg, Ohio; J.T. and Sylvia Mauk of Emerald Isle, North Carolina; Jerry and Shirley Trusty, Alvis Trusty, Judy Klawetter, and Joletta Cobb of West Liberty.

Special thanks to Mike Frisby and the staff at Walls of Grace Tea Room for serving a delicious meal to the honorees and families.

Renee Barker Evans and Scotty Allen Cantrell, to Michael Alexander Wright, 18, of West Liberty, son of Shelley Sue Mowery Wright and David Allen Wright.

Fathers

Are fathers as tough as they seem? Maybe not...
Yes, most fathers seem brave and strong, but they may not always feel that way. Sometimes fathers are grouchy, or unusually talkative, or strangely quiet...sometimes they just aren't themselves.
How can we let our father know he's special, no matter what? We can tell him we love him; that he is the best father in the world.
Most importantly, remind him that his Heavenly Father loves him unceasingly and spend time together at your house of worship each week.
Finally, give him a big hug. Fathers need loving, too.

Morgan County to host free basketball camp Mon., June 22

A free basketball camp, taught by former University of Kentucky star Jeff Sheppard, is coming to Morgan County on Monday, June 22.

Morgan County High School will host the second of five regional Operation UNITE Shoot Hoops Not Drugs clinics planned for this summer.

Presented by Phoenix Products, the three-hour program teaches school-age youth fundamental basketball skills while emphasizing the importance for them to stay drug-free.

Camp begins at 4 p.m., and participants are asked to arrive about 30 minutes early to register.

All participants will receive a specially-designed event T-shirt, regulation autographed Shoot Hoops Not Drugs basketball, and be entered into a drawing for portable basketball goals to be given away at each location. Hot dogs and drinks will be provided.

Participants are asked not to wear open-toe shoes or sandals.

"This is a great opportunity for youth in this region," said Karen Engle, President/CEO of Unite.

"Camps are fun and interactive. This is a safe, drug-free activity where children have an opportunity to interact with positive role models, such as Jeff Sheppard, while learning fundamental basketball skills."

As a senior at the University of Kentucky, Sheppard was named the NCAA's Final four Most Valuable Player in the Wildcats' 1997-98 National Championship season. He would later go on to play one season with the NBA's Atlanta Hawks and 3 years in Italy.

UNITE is also looking for volunteers to assist with the camps, Engle added. "If you would like to help make someone's hoop dreams come true, contact UNITE toll-free at 1-866-678-6483."

Since 2006 the camps have drawn 2,849 youth participants from 50 Kentucky counties, 10 other states and Mexico.

Other regional camps will be held in Wolfe, Floyd, Clay and Bell counties.

Sponsors for UNITE's 2009 Shoot Hoops Not Drugs basketball tour are:

Gold Level (\$1,000-Ale-8 One, First National Bank of Manchester, Pineville Lion's Club, Sensure, SouthEast Telephone, and Walmart (Louisia).

Lynn B. McClurg, Arnold Keeton tend bees and collect honey
This large swarm of honey bees was spotted by Lynn B. McClurg on Arnold Keeton's farm on Hwy. 172. Arnold and Lynn B. have several hives for the bees. Lynn B. collected the bees from the swarm with the help of Arnold and put them into a hive. Now they are waiting on the bees to produce their honey. Lynn B. and Arnold collect 75 to 100 quarts of honey per year. Arnold and wife Lena process the honey and have been doing so for years. Lynn B. and Arnold plan on tending to honey bees in the future. They say there is nothing like good home-made biscuits and a jar of fresh honey on a frosty morning!

Free basketball camp set at MCHS June 22

Former UK star Jeff Sheppard will direct UNITE event

A free basketball camp, taught by former University of Kentucky star Jeff Sheppard, is coming to Morgan County on Monday, June 22.

Morgan County High School will host the second of five regional Operation UNITE Shoot Hoops Not Drugs clinics planned for this summer.

Presented by Phoenix Products, the three-hour program teaches school-age youth fundamental basketball skills while emphasizing the importance for them to stay drug-free.

Camp begins at 4 p.m., and participants are asked to arrive about 30 minutes early to register.

All participants will receive a specially-designed event t-shirt, regulation autographed Shoot Hoops Not Drugs basketball, and be entered into a drawing for portable basketball goals to be given away at each location. Hot dogs and drinks will be provided.

Participants are asked not to wear open-toe shoes or sandals. "This is a great opportunity for youth in this region," said

Karen Engle, President/CEO of Unite. "Camps are fun and interactive. This is a safe, drug-free activity where children have an opportunity to interact with positive role models, such as Jeff Sheppard, while learning fundamental basketball skills."

As a senior at the University of Kentucky, Sheppard was named the NCAA's Final four Most Valuable Player in the Wildcats' 1997-98 National Championship season. He would later go on to play one season with the NBA's Atlanta Hawks and 3 years in Italy.

UNITE is also looking for volunteers to assist with the camps, Engle added. "If you would like to help make someone's hoop dreams come true, contact UNITE toll-free at 1-866-678-6483."

Since 2006 the camps have drawn 2,849 youth participants from 50 Kentucky counties, 10 other states and Mexico.

Sponsors for UNITE's 2009 Shoot Hoops Not Drugs basketball tour are:

Turner hoping 'Double Wing' is double trouble for defenses

Cougar coach says offense is 'nightmare' to prepare for

By David Patrick

It has been called the most powerful offense in the history of football. The "Double-Wing" offense has quite a track record. Fifteen years ago, Coach Don Markham transformed a Bloomington High School team (that finished 1-9 in 1993) into a state champion with a perfect 14-0 record – scoring 880 points in 14 games. The 62-point per game average set a national high school scoring average.

New Morgan County Coach Brian Turner has been a student of the Double Wing since mid-season 2003. And it all started while trying to design a game plan to stop it.

"In my first year as coach, I was breaking down game film before we played Estill County," Turner said on Tuesday. "I studied the system and taught the offense to our JV kids. Of course, the objective was for our varsity defense to learn how to stop it. They never could. I decided right then that someday, somewhere I was going to run that offense."

That someday came two years ago at Morgan County Middle School. Turner installed the offense and proceeded to light up the scoreboard. This past season, the Cougars broke every school record imaginable with 608 points and 4,265 yards of rushing offense. Morgan averaged nearly a first down (nine yards) on every carry from scrimmage.

"The beauty of the Double Wing is that it's so hard for opponents to prepare for," Turner said. "You simply cannot set in any base defense and stop it. Teams are forced to come up with a game plan just for you. That forces defensive players to play out of position. It's really a nightmare to prepare for."

Words Of Wisdom

Education is what survives when what has been learned has been forgotten.

—B.F. Skinner

The Double Wing is NOT a passing offense. Not even close. It is all about ball control and killing the clock. It is also about power and deception. The object is physically wear the defense down by taking six, seven or even eight minutes off the clock with every drive.

"It's about controlling the tempo of a game," Turner said. "You put together an extended 15-play drive and score a touchdown and the other team looks up at the clock and half the quarter is gone. It puts a lot of pressure on opposing high-powered offenses to score with you at a

tempo that you're dictating.

Bottom line, the Double Wing levels the playing field. It helps the Cougars be competitive with teams that possess more athleticism and depth at skill positions. Turner believes the newly installed offense will breathe new life into the program. And for a team that was outscored by 456 points in 2008 – that would certainly be welcomed.

NOTE: The Morgan County coaching staff is currently organizing Little League football. Anyone interested is urged to contact Brian Turner, Joe Curd or Donnie McKenzie.

Women vets are recognized at GFWC Convention

Left to right, Emily Elam, Lillian Straub, and Dottie Zeillman.

Women veterans attending the GFWC Kentucky Annual Convention, in Louisville, on April 25, 2009, were recognized at a special leadership and military luncheon.

The Honorable Chief Justice of the Kentucky Supreme Court, Mrs. Sara W. Combs, was guest speaker.

Local club member and veteran, Emily Elam, was given the opportunity to display the miniature of the Women In Military Memorial at that time, where it was viewed by several hundred women. Emily and two other Navy veterans, Lillian Straub and Dottie Zeillman, from Louisville, shared Navy stories with each other.

The Kentucky Federation of Women's Clubs is proud to say that women veterans are part of their volunteer base for community service.

The Morgan County Woman's

Club will continue to sell memorial bricks for the women's memorial project until August 15, 2009. This will be the final ordering date. Orders received after this time, will be returned. To request an order form... MCWC, P.O. Box 52, West Liberty, Ky. 41472, or call (606) 743-4464.

Brick orders have been received from several other counties and states.

The Women's Military Memorial will be unveiled on November 7, 2009. Construction will begin in the next few months at the Tredway/Kiwanis Memorial Park.

This is once in a lifetime opportunity for all veterans, male or female, to be recognized for their military service. Those who are actively serving now are eligible also.

Please honor or memorialize your loved ones.

About the American Cancer Society

The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; helping people get well by being there for them during and after a can-

cer diagnosis; by finding cures through investment in groundbreaking discovery; and by fighting back by rallying lawmakers to pass laws to defeat cancer and by rallying communities worldwide to join the fight. As the nation's largest non-governmental investor in cancer research, contributing more than \$3.4 billion, we turn what we know about cancer into what we do. As a result, more than 11 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more

about us or to get help, call us any time, day or night, at 1-800-227-2345 or visit [HYPERLINK "http://www.cancer.org/"](http://www.cancer.org/) [cancer.org](http://www.cancer.org/).

GOD'S PROMISE

God didn't promise days without pain, laughter without sorrow or sun without rain. But God did promise strength for the day. Comfort for the tears and a light for the way, and for all who believe in His kingdom above. He answers their faith with everlasting love.
